If you would like to request academic accommodations due to a disability, please contact Disabled Student Services, 448 Schmitz, 543-8924 (V/TDD).

If you have a letter from Disabled Student Services indicating you have a disability that requires academic accommodations, please present the letter to Fred Nick at CSSCR so we can discuss the accommodations you might need for class.

From the Director

The leaves and the temperature are falling and the chaos is rising; it must be Autumn. CSSCR has had another large staff turnover as most of our staff have again graduated. The new crew is a very smart, energetic and nice group of people. They are ready to help!

This is shaping up to be the busiest Fall quarter in many years. The sign-up for class space in the LANs has been intense. So it all adds up to an exciting set of new challenges! Tina Tian, our new Data Archivist, is doing a great job and becoming acclimated to the craziness that is CSSCR. So please drop by and meet the new consultants and our newest staff person! I wish you all a pleasant and contemplative Autumn.
Fred Nick, Director
